Purpose of ESSER

- The ESSER funds under the ARP Act are provided to Local Educational Agencies (LEAs) to address the impact that the Novel Coronavirus Disease 2019 (“COVID-19”) has had, and continues to have, on elementary and secondary schools in Florida.
- This includes helping school districts and other LEAs safely reopen schools, restore and maintain high-quality learning environments, measure and effectively address significant learning loss and take other actions to mitigate the impact of COVID-19 on the students and families who depend on our K-12 schools.

Further Considerations

- In accordance with Section 45 of the General Appropriations Act, the Department will submit a legislative budget amendment that includes detailed information about how each LEA will be expending its funds in compliance with the provisions of the ARP ESSER program under ARP ACT.
- **Awards are contingent upon legislative approval of the budget amendment.**

Further Considerations

- The purpose of the ESSER fund is to provide LEAs with emergency relief funds to address the impact COVID-19 has had, and continues to have, on elementary and secondary schools. This includes both providing educational services and developing plans for normal operations.
- USED expects LEAs will use every effort to spend funds to address exigent student needs.
- USED encourages LEAs to focus on their most important educational needs as a result of COVID-19, including remote learning and assessing and addressing learning gaps resulting from disruptions in educational services.
- FDOE encourage LEAs to use ESSER funds in ways that meet the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, children in foster care and other vulnerable populations.

Allocation

- For Initial Release (two-thirds): \$4,222,947,863
- For Release upon approval of Florida's ARP State Plan (one-third): \$2,116,085,274

Total Current Allocation: \$6,339,033,137

- LEAs will submit a plan and budget reflecting the total allocation, with a breakdown of the initial release of 2/3 of the total and the 1/3 balance. Reference allocation chart for breakdown of funding amounts.
- All allocations are subject to the approval of a legislative budget amendment, in accordance with section 45 of the General Appropriations Act (2021).
- The preliminary allocation was based on the percentage of the LEA revised final 2020-21 Title I, Part A allocation.

USED Guidance on Allowable Uses of Funds

Generally, in determining whether an activity is an allowable use of funds, a State or LEA must determine:

- Is the use of funds intended to prevent, prepare for, or respond to the COVID-19 pandemic, including its impact on the social, emotional, mental health, and academic needs of students?
- Does the use of funds fall under one of the authorized uses of ESSER or GEER funds?
- Is the use of funds permissible under the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance, 2 CFR Part 200)? In particular, is it necessary and reasonable for the performance of the ESSER or GEER award?

Administrative Costs

- Districts may use their unrestricted indirect cost rate.
- Total administrative costs may not exceed 5% of the LEA's total award.
- Total Administrative Costs include:
 - Direct administrative costs; and
 - Indirect administrative costs = negotiated rate x eligible expenditures.

Allocations to Charter Schools

- Allocations must be provided to charter schools.
- Unless otherwise agreed, based on proportion of unweighted FTE in 2020-21 Survey 3.
- Must take into account new or significantly expanded charters.
- LEA's plan and budget include charter expenses, rolled-up at district level.

Items requiring Pre-Approval

- 2 CFR § 200.407 outlines items requiring pre-approval by FDOE
 - Real property;
 - Construction/remodeling; and/or
 - Equipment & capital expenditures over \$5,000 per unit.

Items listed specifically on approved budget shall meet the pre-approval criteria.

Federal Procurement Requirements

- Federal standards have different thresholds and exceptions than state or local standards.
- Technical assistance will follow.

Maintenance of Equity

For 2021-22 and 2022-23, an LEA may NOT:

- Reduce state and local per-pupil funding in high-poverty schools by an amount that exceeds the total reduction, if any, of combined state and local per-pupil funding for all schools in the LEA.
- Reduce the number of full-time equivalent (FTE) staff per-pupil in high-poverty schools by an amount that exceeds the total reduction, if any, of FTE staff per-pupil in all schools in the LEA.

Maintenance of Equity

- The USED has released guidance at https://oese.ed.gov/files/2021/10/Maintenance-of-Equity-updated_10_1_21-FAQs.Final_.pdf.
