DOE INFORMATION DATABASE REQUIREMENTS VOLUME I:
AUTOMATED STUDENT INFORMATION SYSTEM
AUTOMATED STUDENT DATA ELEMENTS

Year: 2020-21

Data Element Number: **187011**

Data Element Name: **WDIS Student Instructional Hours**

WDIS Student Instructional Hours is a whole number, expressed in hours, assuming no decimal places and right justified with leading zeros.

WDIS Student Instructional Hours may not be reported in the Workforce Development Information System (WDIS) for students enrolled in courses or programs for which the direct instructional costs have been fully funded by an external agency. Section 1011.80(5)(d), Florida Statutes:

“State funding and student fees for workforce education instruction shall be established as follows: For a public educational institution that has been fully funded by an external agency for direct instructional costs of any course or program, the FTE generated shall not be reported for state funding.”

For Adult General Education (Cost Reporting Codes ranging from 401 – 409*):

WDIS Student Instructional Hours for adult general education students must be reported in accordance with the requirements in Rule 6A-10.0381, Florida Administrative Code. The text of the rule can be accessed at the following web link: <https://www.flrules.org/>.

A technical assistance paper and rule summary are posted here (See “Instructional Hours Reporting for Adult Education.”): <http://www.fldoe.org/academics/career-adult-edu/career-adult-edu-technical-assistance-.html>

For Career Certificate and Applied Technology Diploma (Cost Reporting Codes ranging from 351 – 369*):

For career certificate and applied technology diploma students, the WDIS Instructional hours shall be defined as the number of scheduled course hours from a student’s first day of enrollment in a course and to his/her last scheduled day of enrollment in the course. If the student’s enrollment in a course crosses reporting surveys, the instructional hours shall be pro-rated across the survey.

WDIS Instructional hours may not exceed the contact hours for which a student has paid/deferred tuition or received a waiver for the payment of tuition; the only exception is for instructional hours of students who withdrew after the drop/add period. If a student withdraws from a course prior to the end of the reporting survey (but after a drop/add period), the instructional hours may still be reported through the end of the course for that survey. For cases in which a student transfers to a different section in the same course during the survey, the instructional hours for the first section must be reported based on the hours from the date of enrollment to the date of transfer.
