**AUTHORITY FOR STATE BOARD ACTION**

Sections 1008.386(2) and 1008.386(3), Florida Statutes

**EXECUTIVE SUMMARY**

The Florida Education Identifier (FLEID) is a unique identifier which shall be assigned to a student upon enrollment into a K-12 institution for the first time, or if the student's enrollment information has been updated or modified since initially submitted. This will allow for centralized student identification and will reduce the exposure of the SSN in management information systems both internally and locally.
