

**Strengthening Career and Technical Education for the 21st Century,  
Advancing Career and Technical Education through Department of Juvenile  
Justice (DJJ) Grant**

**Competitive Grant FY 2020-2021**

**#1 Questions and Answers**

**Posted November 13, 2020**

**Question #1:**

May the grant be used for a residential program that is funded by DJJ, but is actually classified as an alternative schools and not a DJJ school in MSID?

**Answer #1:**

**These funds are set-a-aside to support CTE instruction for Juvenile Justice students. The population of students served must be identified as Juvenile Justice students and the awarded eligible agency must be able to document each student.**

**Question #2:**

May the district submit a multi-center grant proposal to be used for more than 1 DJJ program within the district?

**Answer #2:**

**Yes, an eligible agency may submit a multi-center grant proposal. The grant award amount is up to \$75,000 maximum per project award.**
