- Increase the base salary of full-time classroom teachers and certificated prekindergarten teachers to a minimum of \$47,500 or to the maximum amount achievable.
- Impact more than 50% of Florida's current full-time classroom teachers.
- Benefit many veteran teachers.

\$100 Million (20% of TSIA)

Funds used for:

- Full-time classroom teachers and certificated prekindergarten teachers who did not receive an increase as part of the \$400 million;
- Teachers who did receive an increase from the \$400 million but their increase was less than two percent of their salary; and
