Examples: Student spray paints anti-gay slogans on bathroom walls, sends racial slurs to someone in a note or through electronic mail, or uses derogatory language involving someone’s religious beliefs in a fight with someone.

Note: An act, or attempted act, to cause physical injury, emotional suffering or property damage through intimidation, harassment, racial/ethnic slurs and bigoted epithets, vandalism, force or the threat of force, motivated all or in part by hostility to the victim’s real or perceived race, religion, color, sexual orientation, ethnicity, ancestry, national origin, political beliefs, marital status, age, social and family background, linguistic preference or mental/physical disability. Creates an intimidating, hostile or offensive educational environment. The motivation (intent) behind the act is the key element in determining whether an incident is hate-related.

1Mental or Physical Disability means that the victim suffers from a condition of physical or mental incapacitation due to a developmental disability, organic brain damage, or mental illness, and has one or more physical or mental limitations that restrict the victim’s ability to perform the normal activities of daily living (Chapter 775.085, F.S.).
