\*For reporting to the U.S.D.O.E., these incident types are considered to be violent incidents.

\*\*For reporting to the U.S.D.O.E., these incident types are considered to be violent incidents if they result in bodily injury as reported in the Incident, Injury-Related element.

If more than one Incident Type is applicable to the incident, report the type that resulted in the most injury or the highest property or monetary loss.

See DOE Information Data Base Requirements: Volume I--Automated Student Information System, Appendix P, for more detailed definitions of codes and for a preliminary rank ordering of incident types.

Note: Districts may record other district-defined incident types and assign them the code ZZZ in their local systems. These district-defined incidents should not be included on the School Environmental Safety Incident Report format.
