A period is defined as the instructional time of the school day during which a class or section of a course is offered.

Standard meeting time courses to which the student is assigned should be coded as a beginning and ending period.

Valid codes include the range from 0000 to 8080, NN88 (where NN is numeric), 9800 (a class period for a course number corresponding to the end-of-course assessment that was passed by the student without being enrolled in the corresponding course), and 9999. (adult education classes with no standard meeting time).

Nonstandard meeting time courses to which the student is assigned for classes that meet differing periods during the week should be coded with the first two digits as the first period the class meets during the week and 88 for the third and fourth digits.

1. Prior to 2011-12 students did not enroll for graduation in district number 71. This district number and its valid school numbers were used by the Florida Virtual School for reporting District Number, Current Enrollment and School Number, Current Enrollment. Beginning in 2011-12, district 71 began using the true district and school of enrollment for all students instructed in that district.
2. For Survey 5 Student End of Year Status, report the last school attended during the 180 day school year. If the student only
attended the district in the summer then report the summer school number.
3. Prior to 2011-12 students in school number 7023 were reported using school number 7001.

Data Element Name: Social Security Number

Federal social security number. Left justified.

STAFF SOCIAL SECURITY NUMBER: Report the social security number for all instructional staff on the Teacher Course and the Career and Technical Education Teacher Course formats.

NOTE: For contracted or charter school staff for whom the school district cannot obtain a Social Security Number, the district must assign a Staff Number Identifier for the employee using the following method:

First Two Positions
CS The first two positions in the Social Security Number field must be coded with the letters “CS”.

Last Seven Positions
NNNNNNN The last seven positions must be numeric.

NOTE: The district-defined Staff Number Identifier must result in a unique staff number within the district.

STUDENT SOCIAL SECURITY NUMBER: Florida Statute 1008.386 requires school districts to request a social security number for each student in grades PK-Adult who enroll or who are enrolled in school. When a social security number is available, the number is also used as the first nine digits of the student’s Florida Student Number Identifier.

See the Student Number Identifier, Florida data element for more information.

| A    | The student is a client of Department of Children and Families (DCF), is placed in a residential facility operated by the agency, and receives educational services from the local school district or through a contract with the local school district.  
This definition was designed to include students with disabilities who were placed in residential facilities by DCF [e.g., a Developmental Services, Intermediate Care Facility (ICF-MR)]. It does not include students who are in foster care placements. |
| C    | The student is enrolled in a Department of Juvenile Justice facility/program and receives educational services from the local school district.  
This definition was designed to include the Department of Juvenile Justice or a private, public, or other governmental organization under contract with the Department of Juvenile Justice which provides treatment, care and custody or educational programs for youth in juvenile justice intervention, detention, or commitment programs. This definition encompasses programs such as PACE and AMI. Please note that in many DJJ facilities there may be more than one educational program that generates weighted FTE (e.g., ESE, basic, ESOL, or career and technical education.) |
| Z    | None of the above categories applies to the student. |

Note: These codes are used in the calculation of the enrollment ceiling (cap) as authorized by s. 1011.62(1)(d)3.a., F.S.
