Agreements of Industry Certification to AS and
AAS Degree Programs
2020-2021**

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AS Degree Program

Degree Name:	Film Production Technology		
CIP Number:	1650060213		
Industry Certification:	Adobe Certified Professional in Video Design	Code:	ADOBE023
College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits toward the above AS program is <u>3</u> hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.		
Validation Mechanism:			
To be eligible for articulation, the student must show evidence of their current Adobe Certified Professional in Video Design certification and it must have been issued within three (3) years prior to their enrollment in the program.			
Rationale/Justification:			
The Adobe Certified Professional in Video Design certification represents industry acknowledgement of technical skill attainment of competencies in the Film Production Technology program.			
Applicability:			
State college administrators were consulted and agreed that the Adobe Certified Professional in Video Design certification shall articulate <u>three (3)</u> college credit hours to the AS degree in <u>Film Production Technology</u> .			
Articulated credit awarded under this agreement may only be applied to the above AS degree.			
Date Presented to Articulation Coordinating Committee (ACC)	ACC Recommendation	Date Submitted to State Board of Education (SBE)	SBE Status
February 24, 2021	Approved		

This agreement is incorporated by reference in State Board of Education Rule 6A-10.0401 *Gold Standard Career Pathways Articulation Agreements*, which is authorized under 1007.23 Florida Statutes.

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AS Degree Program

Degree Name:	Radio and Television Broadcast Programming		
CIP Number:	1610020202		
Industry Certification:	Adobe Certified Professional in Video Design	Code:	ADOBE023
College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits toward the above AS program is <u>4</u> hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.		
Validation Mechanism:			
To be eligible for articulation, the student must show evidence of their current Adobe Certified Professional in Video Design certification and it must have been issued within three (3) years prior to their enrollment in the program.			
Rationale/Justification:			
The Adobe Certified Professional in Video Design certification represents industry acknowledgement of technical skill attainment of competencies in the Radio and Television Broadcast Programming program.			
Applicability:			
State college administrators were consulted and agreed that the Adobe Certified Professional in Video Design certification shall articulate four (4) college credit hours to the AS degree in <u>Radio and Television Broadcast Programming</u> .			

Date Presented to Articulation Coordinating Committee (ACC)	ACC Recommendation	Date Submitted to State Board of Education (SBE)	SBE Status
February 24, 2021	Approved		

This agreement is incorporated by reference in State Board of Education Rule 6A-10.0401 *Gold Standard Career Pathways Articulation Agreements*, which is authorized under 1007.23 Florida Statutes.
