IN RE:

DOE No.: 2021-4024

BROWARD COUNTY SCHOOL BOARD,
STUDENT OPT-OUT REQUIREMENTS.

**ORDER OF STATE BOARD OF EDUCATION UNDER ITS OVERSIGHT AND
ENFORCEMENT AUTHORITY**

After having considered the determination of probable cause made by the Commissioner of Education, Richard Corcoran, along with an independent review of the documentary support for that determination, as well as public comment and discussions provided at the August 17, 2021, State Board of Education meeting, the State Board of Education implements its oversight authority under section 1008.32, Florida Statutes, as follows:

1. The State Board of Education authorized the Commissioner of Education to further investigate this matter and to take any and all action necessary to ensure that the State Board of Education satisfies its enforcement and other obligations under, among other things, chapters 1001 and 1008, Florida Statutes. These laws prevent the State Board of Education from ignoring intentional violations of state law or rules and compel action to enforce such violations.
2. As an initial finding, the State Board of Education finds that the School Board of Broward County's Face Coverings Policy 2170-E does not comply with Florida Department of Health Emergency Rule 64DER21-12, Protocols for Controlling COVID-19 in School Settings. That rule requires public schools to "allow for a parent or legal guardian of the student to opt-out the student from wearing a face covering or mask."

3. The State Board of Education finds that the School Board of Broward County's noncompliance and knowing failure to follow the law unlawfully denies Broward County parents and legal guardians of their right to make fundamental health and educational decisions for their children by choosing whether their children should be masked in public schools.
4. Based on these findings, it is hereby ordered that the School Board of Broward County must document compliance with Florida Department of Health Emergency Rule 64DER21-12 by allowing a parent or legal guardian of a student to opt-out the student from wearing a face covering or mask, without requiring a medical reason, approval from a medical professional or any additional requirement to support the request.
5. The School Board of Broward County has 48 hours from receipt of this order to document compliance as set forth in this order. If the School Board of Broward County demonstrates compliance by this deadline, then no further action is needed.
6. If the School Board of Broward County fails to timely document compliance within 48 hours from receipt of this order, the School Board of Broward County must provide to the Commissioner of Education, no later than 48 hours after receipt of this order, information confirming the current annual compensation provided to all school board members.
7. Upon receipt of the annual compensation information for the school board members mentioned above, and continuing until the School Board of Broward County demonstrates compliance with the law, the Florida Department of Education is directed to begin withholding from state funds, on a monthly basis, an amount equal to 1/12 of the total annual compensation of the school board, as an initial step. Monthly withholding must continue until the School Board of Broward County demonstrates compliance, the State Board of Education withdraws this order, or when the emergency rule expires or is

withdrawn. If the School Board of Broward County fails to provide the requested compensation information within the 48 hour period, the Florida Department of Education shall withhold state funds based on the most recent appropriations estimate until the school board provides the current estimate. The School Board of Broward County members who voted to impose the unlawful mask mandate are:

Dr. Rosalind Osgood

Laurie Rich Levinson

Donna P. Korn

Debra Hixon

Ann Murray

Patricia Good

Sarah Leonardi

Nora Rupert

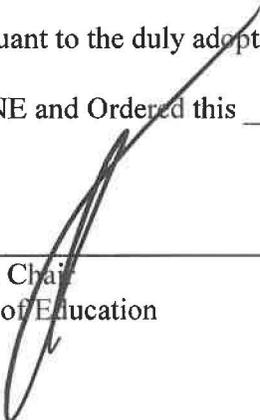

8. In complying with this order, the School District of Broward County may not reduce any expenditures other than those related to compensation for school board members. Further, the School District of Broward County may not permit the reduction of funds based upon this order to impact student services or teacher pay.
9. Upon the School Board of Broward County's failure to timely document compliance within 48 hours of receipt of this order, the Broward County School Superintendent shall certify, upon request of the Commissioner of Education, an updated report documenting any instance of the School District of Broward County's enforcement of the unlawful face covering mandate policy against a student, including, but not limited to, instances of a student being sent home, reassigned, disciplined, suspended, isolated, stigmatized, warned or harassed because of the student's failure to comply with the School Board of Broward

County's unlawful face covering mandate policy. Such report shall include the student's name and grade, parent's name(s) and home address. If the School District of Broward County does not have any instances of enforcement to report, the Broward County School Superintendent shall submit a certified report asserting such fact. This request from the Commissioner of Education shall be continuous in nature until the Broward County School Superintendent can certify and establish full compliance.

10. Upon the School Board of Broward County's failure to timely document compliance within 48 hours of receipt of this order, the Commissioner of Education shall monitor and report at each subsequent meeting of the State Board of Education as to the School Board of Broward County's compliance with Florida Department of Health Emergency Rule 64DER21-12 and this order, and provide recommendations to the State Board of Education as necessary to mandate further reporting related to noncompliance or further withholding of state funds due to continued noncompliance, pursuant to the State Board of Education's oversight and enforcement authority within section 1008.32, Florida Statutes.

11. The State Board of Education may continue to review findings of the Commissioner of Education as he continues his investigation, and retains the right and duty to impose additional sanctions and take additional enforcement action, as necessary, to bring the School Board of Broward County into compliance and better serve Florida's families pursuant to the duly adopted resolutions of that date.

DONE and Ordered this 20th day of August 2021.
