Rule 6A-6.0573 Future Plans

- This is the last proposed adoption for this rule. For the implementation of HB1507, there will be a single rule adoption for all industry certifications for secondary and postsecondary students, combining language and processes from Rule 6A-6.0573 and Rule 6A-6.0574.
- This new rule will be under development soon and proposed for adoption in August 2022.
