SUBJECT: Review of Annual External Operator Contracts for School Districts of Escambia, Hillsborough and Volusia County

PROPOSED BOARD ACTION

Consideration of Annual External Operator Contracts for approval

AUTHORITY FOR STATE BOARD ACTION

Rule 6A-1.099811, F.A.C.

EXECUTIVE SUMMARY

Pursuant to Rule 6A-1.099811(11)(b), F.A.C., a school district may choose to enter a two-year Turnaround Option Plan-External Operator (EO) with State Board approval, as set forth in paragraph (7)(b). For the below schools, the State Board of Education approved the two-year Turnaround Option Plan-EO in July 2019. Due to the COVID-19 pandemic and the pause on accountability in 2019-20, and the districts not "opting in" to their 2020-21 school grade, the schools will enter into Year 2 of the previously approved Turnaround Option Plan-EO in 2022-23.

Pursuant to Rule 6A-1.099811(11)(b)5., F.A.C., the school district shall enter into an annual contract with the EO. The districts and schools below will not be changing the State Board of Education-approved Turnaround Option Plan or EO provider and are requesting approval of the annual EO contract for the 2022-23 school year.
