2022–23 Florida Assessment of Student Thinking (FAST) Fact Sheet
K–2 Early Literacy, Reading, and Mathematics

FAST Overview
In March 2022, Governor Ron DeSantis signed new legislation that replaces the Florida Standards Assessments in ELA and Mathematics with the Coordinated Screening and Progress Monitoring System required in section 1008.25(8), Florida Statutes. This fact sheet provides an overview of the new FAST system for grades K–2 Reading and Mathematics that will be implemented in the 2022–23 school year.

Kindergarten–Grade 2 Star Early Literacy, Star Reading, and Star Mathematics Overview
FAST for students in grades K–2 will be administered three times a year using Renaissance Learning’s Star assessments, as shown in the table below.

*All Kindergarten and Grade 1 students will take the Star Early Literacy for PM1. If a student scores at or above 852 on Star Early Literacy, the student will take Star Reading on subsequent administrations. If a student scores below 852 on Star Reading, the student may take Star Early Literacy in the subsequent administration.

**All Grade 1 students must attempt Star Reading in PM3 if not already taking Star Reading.

Administration Windows
FAST will be administered during three windows in the school year (PM1, PM2, and PM3). The following windows have been established to provide schools with maximum scheduling flexibility; they do not reflect the amount of time one school will spend administering tests.
- PM1: August 8–September 30, 2022
- PM2: December 5, 2022–January 27, 2023
- PM3: April 17–June 2, 2023
Per state statute, K–2 assessments must be administered in the first 30 instructional days of the school year (PM1), midyear (PM2), and within the last 30 days of the school year (PM3).

**Testing Systems**  
All FAST Star assessments are computer-adaptive and will be administered and reported using the following systems:

<table>
<thead>
<tr>
<th>Online Management/Student Data</th>
<th>Renaissance website</th>
</tr>
</thead>
<tbody>
<tr>
<td>Online Test Delivery</td>
<td>Supported web browser</td>
</tr>
<tr>
<td>Results Reporting</td>
<td>Renaissance Growth Platform (RGP)</td>
</tr>
<tr>
<td>Family Access</td>
<td>Parent Reports or the Family Portal*</td>
</tr>
</tbody>
</table>

*K–2 results will be available in the Family Portal after the close of each PM window.

Please note the following:
- Headphones are required for Star Early Literacy and Star Mathematics.
- Students must be provided with blank scratch paper for all FAST Mathematics tests.

**Session Lengths**  
All FAST assessments are administered in one session in one day, and it is recommended that students only take one subject test per day. Students may be assigned extended time as needed, or if indicated on their Individual Education Plan (IEP) or Section 504 Plan. The Renaissance Learning platform allows for the following item time limits and average length of assessments without extended time:

<table>
<thead>
<tr>
<th>Subject</th>
<th>Item Time Limit</th>
<th>Items per Test</th>
<th>Average Test Length</th>
</tr>
</thead>
<tbody>
<tr>
<td>Star Early Literacy</td>
<td>90 seconds per item</td>
<td>27</td>
<td>10–20 minutes</td>
</tr>
</tbody>
</table>
| Star Reading        | 60 seconds per item (first 10 items)  
                       120 seconds per item (remaining skill items) | 34             | 15–20 minutes       |
| Star Math           | 3 minutes per item               | 34             | 20–30 minutes       |

**Accommodations**  
The Star assessment platform allows for the following assistive tools and technologies for any student who requires them:
- Response Masking
- Color Contrast
- Font Size/Zoom
- Highlighter
- Line Reader
- Screen Reader
- Unlimited Time
Audio is enabled for all items on Star Early Literacy and Star Math. Oral presentation is allowable on Star Reading for students with this accommodation and is administered by a human reader for test questions and response options only.

FAST Grades K–2 Reporting
For the 2022–23 school year, K–2 Reading and Mathematics scores will be reported based on the following (for PM1, PM2, and PM3):
- Students will receive an overall scale score and percentile rank.
- Students will also receive the grade equivalent, which indicates the grade placement of students for whom a particular score is typical.
- In addition, students will receive the Instructional Reading Level (IRL) and Lexile Range (Star Reading Only).

Sample Test Materials
Sample test materials (STMs) contain sample test items aligned to the B.E.S.T. Standards and allow teachers, parents/guardians, and students to become familiar with the various item types that will be encountered on the assessments. Please note the following:
- The K–2 practice resources are booklets that show examples of Star test items.
- Students must successfully answer practice questions at the beginning of each session before they can enter the actual test. The purpose of these practice items is to familiarize students with the testing platform and marking responses to test items.

STMs may be accessed on the FAST Portal at https://flfast.org/resources/renaissance-star/renaissance-star.

Remote Testing
Remote testing will be available for K–2 FAST assessments for students enrolled full-time in a virtual school program or for those students who are hospital/homebound. Resources for administering tests remotely can be found at: https://renaissance.widen.net/s/nfqshkzc5z/remote-testing-quick-reference_220726.
