To obtain State support, the facilities must be designated a campus, center or special purpose center. Based on the documentation presented by the college, all the criteria stipulated in Rule 6A-14.0061, F.A.C. are satisfied. The Corporate College is being developed as part of the Citizen Success Center, a collaborative effort between Hernando County government, Hernando County School District's Suncoast Technical Education Center, and Pasco Hernando State College. The Corporate College and Citizen Success Center will provide workforce training programs in high-demand and high-paying career areas such as manufacturing, aviation and health care, and is part of Governor DeSantis' plan to make Florida number one in workforce education by 2030.
