EXECUTIVE SUMMARY

In accordance with s. 1008.22(7), F.S., the Commissioner of Education is required to publish on the Florida Department of Education (FDOE) website a uniform assessment calendar, using the template incorporated as part of this Rule, for the following two school years by January 1 of each year. Districts are then required to add district-level assessment information and publish their district uniform assessment calendar for the following year by October 1 of each year.

The purpose of this proposed amendment is to revise the uniform assessment calendar template that is incorporated in this Rule in response to changes made during the 2022 Legislative session, specifically regarding definitions included in the template and the calculation of testing time.
