AUTHORITY FOR STATE BOARD ACTION

Sections 1002.22, 1002.221, 1003.25, and 1008.405, F.S.

EXECUTIVE SUMMARY

The purpose of this amendment is to protect student privacy when students are required to use online educational services or when districts contract with third party vendors or service providers. The rule also gives direction concerning retention and transfer of threat assessment records. This rule will strengthen the privacy and rights of students and safeguard their educational records in accordance with state and federal law.
