Approval of Rules 6A-5.065 and 6A-10.081, F.A.C.

State Board of Education

January 18, 2023

Rules 6A-5.065 and 6A-10.081, F.A.C.

- The purpose of these amendments is to align the expectations for effective educators and the Principles of Professional Conduct for the Education Profession with statutory requirements outlined in House Bill 1557 (2022).
- Specifically, educators shall not discourage or prohibit parental notification of and involvement in critical decisions affecting a student's mental, emotional or physical health or well-being, unless a reasonably prudent person would believe that disclosure would result in abuse, abandonment or neglect.
