# **Amendment to Rule 6A-1.09401, F.A.C., Student Performance Standards**

**State Board of Education**

**May 24, 2023**

## Florida's State Academic Standards

- Foundation for high-quality teaching and learning
- Developed by Florida educators for Florida students
- Lead to improved student achievement

## Purpose

- Update Health Education Standards
  - Internet Safety, Social Media, Limiting Screen Time.
  - Standards will inform the risks of communicating and sharing information in order to protect students from the harmful effects of technology, including social media.
  - Standards will include components of resiliency, including critical thinking and problem solving while using the Internet.

## Purpose

- Update Social Studies Financial Literacy Standards
  - Include thirteen principles found in Senate Bill 1054.
  - Standards will prepare students by providing them with knowledge to achieve financial stability and independence.
  - Standards will include learning the basics of credit, budgeting, saving, and investing.
- Update Social Studies Access Points
  - Access Points-Alternate Academic Achievement Standards.
  - All students, including those with the most significant cognitive disabilities, will have access to updated Civics, Government and Holocaust Education standards.
