Adoption of New Rule 6A-10.088, F.A.C., Florida McKinney-Vento Program Training and Identification

State Board of Education

July 19, 2023

Purpose

- Promotes student achievement.
- Enhances support for students who are homeless.
- Provides for specific training for staff in support of students who are homeless.

Proposed Rule

- Requires school district McKinney-Vento Program (MVP) liaisons and staff to attend/participate in professional learning.
- Requires school districts to disseminate and collect student housing questionnaires annually.
- Requires school district MVP liaisons and staff to provide training to relevant school staff regarding the McKinney-Vento Homeless Assistance Act.
- Requires school districts to report to FDOE students identified as experiencing homelessness and contact information for school district MVP liaisons and staff.
