Sections 1001.02, 1012.34, 1012.98, F.S.

**EXECUTIVE SUMMARY**

The rule is updated to align with Rule 6A-5.065, F.A.C., Florida Educator Accomplished Practices (FEAP). The FEAP were updated by the State Board of Education in July 2023. School district instructional personnel evaluation systems are required to be aligned with these standards per section 1012.34, F.S. Additionally, the rule is updated to reflect a terminology shift from "professional development" to "professional learning" and clarification around instructional practice evaluation procedures resulting from House Bill (HB) 1537 (Ch. 2023-39, Laws of Florida). The rule will also incorporate a change from the 2022 legislative session (Senate Bill 2524, Ch. 2022-154, Laws of Florida) acknowledging evaluation procedures are not subject to mandatory collective bargaining.
