

Data Element Number: **197305**

Data Element Name: **Adult High School Credits at Entry**

For students enrolled in adult high school programs only, record the numeric total number of credits earned which are creditable toward the adult high school diploma. This value will not change after the student enters the adult high school program.

Code	Definition/Example
100	10 credits at time of entry into adult high school
155	15 and one-half (1/2) credits at time of entry into adult high school
999	Student is not in adult high school program

Notes:

Adult High School Credits at Entry are reported as an implied decimal.

For example, if the student had 10 credits at the time of adult high school entry which may be used toward the diploma attainment, report as 100. If the student earned 15.5 credits, report as 155.

Data Element Detailed Information
