<sup>1</sup> Students may have been enrolled in more than one program. Because of the duplication, the total enrollment in this chart is larger than the adult general education enrollment in the previous chart.

<sup>2</sup> Terminal Occupational Completion Points are exit points in a program from which students may exit with skills sufficient to prepare them for a specific occupation.

<sup>3</sup> Program completers are students who have completed all of the Occupational Completion Points in a certificate program and met applicable basic skills requirements.
