MEMORANDUM

DATE: October 3, 2014

TO: District School Superintendents

FROM: Linda Champion

SUBJECT: October 2014-15 Student Transportation Survey Information

The October 2014-15 student transportation survey will be conducted the week of October 13-17, 2014. The Automated Student Information System (student transportation format) will be used by all districts to transmit their October student transportation information.

The student transportation reporting requirements have been revised for 2014-15. Please refer to the [2014-15 Student Transportation General Instructions](#) for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System and reporting deadlines.

A list of the reporting deadlines is attached for your convenience. The deadline for initial full submission of October survey data is Friday, October 31, 2014. Any corrections or revisions to this data, prior to the amendment window, must be addressed by Friday, November 14, 2014, the system cutoff date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Thursday, November 20, 2014. The October student transportation information provided in this letter must match that reported in the district database as of the system cutoff date. **Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter.** The information in this letter will be compared with the department's report to ensure that accurate information is used in the transportation funding formula.
