SUBJECT: REMINDER: CIP Review DUE Friday, December 11

Good Morning. On Wednesday, November 18th, the division held a webinar that detailed the opportunity to review the 2020 Classification of Instructional Programs (CIP) code alignment recommendations. These recommendations were made, by the division, after a thorough review of the National Center for Education Statistics 2010 - 2020 CIP Conversion Crosswalk. The recommendations we are making are for all lower division award types. The webinar on the topic and the recording is still available for viewing at <https://attendee.gotowebinar.com/recording/5787739459722483714>

This is a reminder that we are requesting your feedback by **Friday, December 11, 2020**. Please contact Kathleen Taylor, Bureau Chief for Standards, Benchmarks and Frameworks at 850-245-9062 or by email at Kathleen.taylor@fldoe.org if you have any questions.

Thank you for your assistance and attention to this important matter!

Best Regards,

Henry
