SUBJECT: 2021 Legislative Memos and Technical Assistance Opportunities

Attached please find three memoranda summarizing bills related to the Florida College System that were passed and now signed into law from the 2021 legislative session. We have organized these into Academic Affairs, Student Affairs and Business Affairs topics, and have worked to include in each memo information that crosses one or more of these areas of your college.

I am also pleased to announce that we will be hosting a series of technical assistance opportunities on the legislation and implementation later this month. We will begin with an overview for presidents via zoom on July 20, 2021, from 1:00 – 2:30 PM and complete a series of webinars the following week that will dive deeper into each of the topics (schedule shown below). Following this email from me, you will also receive a memorandum from Chancellor Mack regarding legislation affecting workforce programs, as well as a calendar invite for the presidents' zoom meeting from the ChancellorFCS email account. Feel free to bring additional staff with you to that meeting if you so desire.

I wish everyone well for this holiday weekend, especially as we also prepare for what appears to be the real kickoff of hurricane season. Florida is incredibly fortunate to have leaders like you in our college system.

Our teams look forward to continued collaboration with you and your teams on behalf of our students and communities throughout the coming year. Thank you for everything that you do.

Sincerely,

Kathryn S. Hebda
