MEMORANDUM

TO: Florida College System Presidents

FROM: Kathryn S. Hebda 

DATE: July 13, 2022

SUBJECT: **2022 College Affordability Reports**

DEADLINE: September 30, 2022

Affordability remains a top priority for all 28 Florida College System (FCS) institutions. The Division of Florida Colleges (division) requests data and information related to college affordability initiatives and textbook and instructional material affordability pursuant to sections (ss.) 1004.084 and 1004.085, Florida Statutes (F.S.).

By September 30, 2022, each college must input institutional responses for the 2022 FCS Affordability Report via <https://www.research.net/r/2022FCSAffordability>. Attached you will find the College Affordability report template as well as copies of (ss.) 1004.084 and 1004.085, F.S.

In past years, the division required that colleges submit two separate reports—one for college affordability and one for textbook affordability. In examining our reporting process to look for efficiencies and maintain statutory requirements with both reports, we combined them into one report.

If you have any questions, please contact Florida College System Research and Analytics, at FCSResearch@fldoe.org.
