Background

- Senate Bill 366 (2021) amended multiple Florida Statutes to expand the mechanisms institutions may use to assess readiness for college-level work.
- On March 15, 2022, the State Board of Education (SBOE) adopted an amendment to Rule 6A-10.0315, F.A.C., Demonstration of Readiness for Communication and Computation, which identifies alternative methods for assessing communication and computation skills.

Purpose

- The purpose of this rule amendment is to implement changes related to SB 366.
- In addition, the rule amendment aligns the career center reporting requirements with the Florida College System reporting requirements.
- Other technical changes will be made

Proposed Rule Language

6A-10.041 Substitution for Requirements for Eligible Students with Disabilities at Florida Colleges and Postsecondary Career Centers.

(1) Each district board of trustees within the Florida College System and each district school board which operates district postsecondary technical career centers under section 1001.44, F.S., and charter technical career centers under section 1002.34, F.S., ~~a postsecondary career center~~ shall develop and implement policies and procedures for providing reasonable substitution for eligible students as required by Sections 1007.264 and 1007.265, F.S. In determining whether to grant a substitution, documentation to substantiate that the disability can be reasonably expected to prevent the individual from meeting requirements for admission to the institution, admission to a program of study, entry to upper division, or graduation shall be provided. In determining whether to grant a substitution, a college may consider pertinent educational records. For purposes of this rule, the following definitions shall apply.

Proposed Rule Language

(3) The policies shall provide for articulation with other state institutions which shall include, at a minimum, acceptance of all substitutions previously granted by a state Florida public postsecondary institution.

(4) The policies shall include a provision for that admitted students who qualify for a course substitution which would allow such students to be exempt from the college preparatory requirements, as provided in State Board Rule 6A-10.0315, F.A.C., in the basic skill area for which the student is eligible for a course substitution, provided that successful completion of the college preparatory coursework is not considered an essential part of the curriculum in the student's academic program. who are assessed for readiness for college-level computation and communication under paragraphs Rule 6A-10.0315(1)(a) or (1)(b) and whose assessment results indicate a need for developmental education may be exempt from developmental education coursework if they qualify for a course substitution.

~~(5) The Commissioner of Education shall coordinate with the Chancellor of the State University System to provide for coordination of the provision of technical assistance in the implementation of this rule.~~

(6) (5) Each Florida college and postsecondary career center operated by a school district shall maintain and report records on the number of students granted substitutions by type of disability, the substitutions provided, the substitutions identified as available for each documented disability and the number of requests for substitutions which were denied. Each college within The the Florida College System shall report such information to the Department of Education, Division of Florida Colleges once a year by July 1. The Course Substitution Report, Form CSR-01, (<http://www.flrules.org/Gateway/reference.asp?No=Ref-06771>) is incorporated by reference herein effective June 2016, can be obtained at <http://fldoe.org/core/fileparse.php/3/urlt/coursesubstitutiontemplate.pdf>.
