

EQUIPMENT LIST

NURSING R.N. (AS-postsecondary)

Students in this program should have access to the following equipment:

aquathermia pad	defibrillator
arm boards	diagnostic set
aspiration precaution equipment	dish, soap
AV equipment	douche kit
AV materials	dressing kit, subclavian
bag, ambu	dressing supplies
bandage, elastic	enemas supplies (non-consumable)
basin, emesis	eye/ear irrigation supplies (non-consumable)
basin, shampoo	eyewear, protective
basin, wash	footboard
bath blankets	footstools
bed, hospital (electric with siderails and mattress)	gloves, sterile
bed cradle	gloves, unsterile
bed pans, fracture	gowns, sterile
bed pans	gowns, unsterile
bedside stand	graduate measures
bell, call	hampers with bags
binders, abdominal	heparin locks
binders, breast	hemo-vac
binders, Double T	hose, antiembolism
binders, T	intake & output supplies (non-consumable)
board for transferring total body	intracatheter
bottles, measuring	irrigation kit, enema
cabinets, storage	irrigation equipment
cane	irrigation set, colostomy
carafes	irrigation sets
cart, emergency	isolation equipment
carts, isolation	isolette, baby
carts, medication	kangaroo pumps
carts, equipment (portable)	laundry bags
catheter, external male	light, wall
catheter drainage set-ups, various types	linens
catheter, subclavian	IV bags
catheterization care kit	IV equipment
catheterization kits	IV pole
catheters, oxygen	IV supplies (non-consumable)
chair, shower	lifter (mechanical and/or Hoyer)
chairs	manikin, child
chart holders	manikin, CPR (adult)
charts, patient	manikin, CPR (child)
chest tube supplies (non-consumable)	manikin, female
colostomy belt	manikin, male
commode, bedside	manikin, newborn
computer printer	manometers, C.V.P.
computer software	masks, sterile
computer system	masks, unsterile
computer table	model, breast palpation
container, syringes	needles, all gauges & lengths
containers, waste	oral-care supplies (non-consumable)
crib, baby (with mattress & pillow)	oxygen equipment
crutches, adjustable	pillow
cups, denture	pitcher, water
curtains, screening	positioning equipment

pump, kangaroo
pumps, I-med
restraints, posey (various types)
scale, balanced with height measure
simulator, above knee stump
simulator, below knee stump
simulator, blood pressure
simulator, catheterization (female)
simulator, catheterization (male)
simulator, enema administration
simulator, IV
simulator, ostomy care
simulator, surgical bandaging
simulator, tracheostomy care
simulators, injection arm (adult)
simulators, injection arm (pediatric)
simulators, injection hip
sitz bath
slings, arm
specimen container, sputum
specimen container, stool
specimen container, urine
sphygmomanometers
stethoscopes, double-headed
stethoscopes, single-headed
stockings, anti-embolic
stretchers with mattress and siderails
suction connecting kit
suction kit
suction equipment
suction machine
syringes, 3cc
syringes, 5 cc
syringes, 10cc
syringes, insulin
syringes, TB
syringes, variety
tables, overbed
telephone
testing equipment, clinitest
testing equipment, acetone
thermometer, electronic with probes
thermometers, glass
thermometers, tympanic
tourniquet
tracheostomy care kits
tracheostomy dressing kit
traction equipment
transfer (gait) belts
trapeze, overhead
tube, levine
tube, nasogastric
tube, tracheostomy
tubes, culture
tubes, chest
tubes, oxygen
urinal
walker
wheelchair with leg extensions & locks
