<sup>1</sup> Summer 2013 data initially reported on August 23, 2013, were updated to remove private school student results from summary reports. All individual student reports were accurate.

<sup>2</sup> Percentages may not add to 100 due to rounding.

<sup>3</sup> To provide meaningful results and to protect the privacy of individual students, data are not reported when the total number of students in a group is fewer than 10 or when all the students in a group are in the same category (i.e., all in the same Achievement Level or all earning "Level 3 or Above"). An asterisk (\*) appears when data are suppressed.
