<sup>1</sup> On December 12, 2012, the State Board of Education established new Achievement Level standards for the Biology 1 End-of-Course Assessment.

<sup>2</sup> Percentages may not add to 100 due to rounding.

<sup>3</sup> To provide meaningful results and to protect the privacy of individual students, data are not reported when the total number of students in a group is fewer than 10 or when all the students in a group are in the same category (i.e., all in the same Achievement Level). An asterisk (\*) appears when data are suppressed.
