</table>

<sup>1</sup>Percentages may not add to 100 due to rounding.

<sup>2</sup>To provide meaningful results and to protect the privacy of individual students, data are not reported when the total number of students in a group is fewer than 10 or when all the students in a group are in the same category (i.e., all in the same Achievement Level or all "Level 3 or Above"). An asterisk (*) appears when data are suppressed.
