Unified School Improvement Grant

Unified School Improvement Grant

The Unified School Improvement Grant (UniSIG) is utilized to serve students attending Title I schools identified for **targeted** (school grade of “D”) or **comprehensive** (school grade of “F” or two consecutive grades of “D”) support and improvement.

Eligibility is based on the most recent school grades release and graduation rate for students attending any public high school regardless of Title I status. Schools are eligible if they have a four-year adjusted cohort graduation rate of 67 percent or less based on the most recently released data.

Charter School Allocations:

The allocation of UniSIG funds for each district includes a specific allocation for each eligible public charter school. These funds, which are separate from and in addition to Title I, Part A funds allocated by school districts through the regular rank and serve process, will be released to the district. The district is then responsible for distributing the funding to eligible charter schools on a monthly reimbursement basis as provided for in section 1002.33(17)(c), Florida Statutes.

QUICK STATS:

For the 2020-21 School Year:

30 school district subrecipients

156 schools

\$36,731,841.25 allocation

Funding is a 7% set-aside from Title I

Funding is awarded as a per-pupil allocation

September 1 - August 31
