 Grade 8

NOT AN OFFICIAL RECORD

The display below shows your student's Writing+ Score, which is a combination of the prompt and multiple-choice portions of the test. In order to receive an overall score, a student needs to have a valid score on both sections. If you would like to view your student's entire Writing+ report, which also includes information about his or her performance on the writing prompt and the multiple-choice reporting categories, [click here](#). In order to access your student's report, you'll need Adobe Reader. To download Reader, visit the [Adobe website](#). If you are unable to find the information you need, please click the link on the top right to review Frequently Asked Questions.

Your Student's 2008 FCAT Writing+ Score

Your Student's Writing+ Score is **330**, which is in achievement **Level 3** for Writing+.

The FCAT Writing+ Score shows your student's achievement on the day he or she was tested. If your student were to take this same test again, it is likely that his or her 2008 FCAT Writing+ Score would be between 340 and 380.
