Literacy Leadership Series

Guided by the Roadmap to Implementing Evidence-Based Practices developed by the Regional Educational Laboratory (REL) Southeast and the Lead for Literacy Framework developed by the Lead for Literacy Center, these sessions were developed to help principals and other school-based leaders implement evidence-based and evidence-informed literacy practices in their classrooms. Effective school leaders understand the importance of working collaboratively with teachers, coaches, and other professionals in the school and in the community to create environments that effectively support literacy learning for all students. These sessions are designed to support school leaders in building teachers' and coaches' capacity to implement evidence-based literacy practices to improve student learning and achievement. Each session includes an evidence-based or evidence-informed tool or resource that can be used immediately to support school-based leaders. Leaders can complete the sessions in order or individually based upon priorities and needs.

  • Secondary Literacy (Grades 6-12)

• 60-hour stackable literacy professional learning

• Competency-based

• Instructional personnel who have successfully earned the literacy micro-credential (60 hours) can provide intensive reading intervention, under supervision of someone endorsed/certified in reading.
Reading Endorsement

- Two high-quality state pathways to earn Reading Endorsement:
  - UF Lastinger Center Literacy Matrix (Online)
  - FCRR Reading Endorsement Pathway (Face-to-Face)
- Matrices aligned to 2022 Reading Endorsement Competencies were submitted July 1, 2023, and are under review.
- Effective July 1, 2024, instructional personnel will be prohibited from earning a Reading Endorsement solely by achieving a passing score on the Reading K-12 exam (s. 1012.586, F.S.).
Reading Endorsement

Who’s required to be reading endorsed or certified?

• Teachers who teach summer reading camps for third grade students scoring Level 1 on state standardized assessment of ELA (s. 1008.25, F.S.)

• Teachers instructing retained third grade students (s. 1008.25, F.S.)

• Teachers providing Tier 3 reading intervention must possess a literacy micro-credential or be endorsed or certified in reading (Rule 6A-6.053, F.A.C.)

New Worlds Reading Initiative (NWRI)
https://newworldsreading.com/

- UF Lastinger Center is the administrator and works with districts for effective implementation.
- Eligible PreK-5 students receive free books on a monthly basis until the student is promoted to sixth grade or the parent opts out of the program.
- A PreK-5 student is eligible if the student is not yet reading on grade level, has a substantial reading deficiency or a substantial deficiency in early literacy skills or who scored below a Level 3 on the preceding year's statewide ELA assessment.
- Distribution of books begins no later than October and continues through at least June.
- Over 189,000 students are currently enrolled.
- Over 4.3 million books have been distributed!
New Worlds Scholarship Accounts

- Parents of eligible students have access to scholarship accounts, worth $500 each, for instructional materials, curriculum, part-time tutoring, summer and after-school programs designed to improve literacy or mathematics skills.

- Effective July 1, 2023, the New Worlds Scholarship Accounts Program expanded eligibility to include public school students enrolled in kindergarten through grade 5 who:
  - have a substantial deficiency in either reading or mathematics;
  - exhibit characteristics of dyslexia or dyscalculia; or
  - scored below a Level 3 on the statewide, standardized English Language Arts (ELA) or Mathematics assessment in the prior school year.
Read-At-Home Plan

A read-at-home plan is required to be provided to parents of any K-3 student who has been identified with a substantial reading deficiency. FDOE provides digital resources that each school district must include in the read-at-home plan.

K-12 Comprehensive Evidence-Based Reading Plan (K-12 CERP, Rule 6A-6.053, F.A.C.)

• Goal: Improve student outcomes in reading.
• Districts must develop K-12 CERPs on an annual basis and submit to Just Read, Florida!
• CERP includes district’s approach to leadership, professional learning, literacy coaching, assessment, curriculum, instruction and intervention.
• CERP focuses districts on appropriate professional learning and evidence-based reading practices proven to work.
