

Safe & Healthy Schools

Social and Emotional Education and Skills Development: Building the Foundation for Safe and Supportive School Environments

- Facilitate FL Social Emotional Learning (SEL) District Collaborative to build statewide capacity
- Develop an interactive SEL Landscape Map
- Strengthen SEL through a best-practice track at the 2nd Annual Mental Wellness Conference

Studies show SEL Impacts:

- 11% gain in academic achievement
- \$1 investment= \$11 return
- Significant reduction in conduct problems, emotional distress, and drug use

FDOE Strategic Goal it Assists With:

- Highest Student Achievement
