## MEMORANDUM

**DATE:** July 14, 2006

**TO:** District School Superintendents

**FROM:** John L. Winn

**SUBJECT:** Certification of the 2006-07 School District Required Local Effort Millage Rates

On July 11, 2006, the Department of Revenue certified to me the 2006 estimate of the tax roll on which the Florida Education Finance Program (FEFP) required local effort (RLE) millage rate shall be established. As required by Section 1011.62(4), Florida Statutes, the FEFP required local effort millage rate for each district for 2006-07 is certified to be the rate shown on the attached page as the 2006 RLE Millage Rate. The statewide average millage rate decreased from 5.239 to 5.010.

Provided in the attachment are the 2006 certified tax roll, the calculated required local tax amount, the potential basic and supplemental discretionary millage rates, and summary pages from the 2006-07 FEFP second calculation. This information has also been transmitted to school districts via e-mail.

The complete 2006-07 FEFP second calculation, with supporting detail, will follow in a separate communication.
