MEMORANDUM

TO: District School Superintendents

FROM: Linda Champion

DATE: June 11, 2018

SUBJECT: June 2017-18 Student Transportation Survey Information

The June 2017-18 student transportation survey is scheduled for the week of June 11-15, 2018. The Automated Student Information System (student transportation format) will be used by all districts to transmit their June student transportation survey information. As indicated in Appendix F of the [2017-18 FTE General Instructions](#), the 2017-18 reporting periods were shortened from 11 days to include only the five days scheduled for survey week.

The system cut-off date for reporting June survey data is Wednesday, August 15, 2018. Any corrections or revisions to this data must be addressed by this date. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, August 24, 2018. The June student transportation information provided in this letter must match that reported in the district database as of the final cut-off date. **Once notified of the availability of certification reports, districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for the certification letter.** The information in this letter will be compared with the Florida Department of Education's (department) report to ensure that accurate information is used in the transportation funding formula. A certification letter must be submitted even if the district does not have any June survey data.

Charter schools with eligible students who are reported for Florida Education Finance Program transportation funding must submit their ridership reports to the sponsoring school district. The district will include these students in the survey data submitted to the department. Charter schools do not have to submit a certification letter to the department and are encouraged to
