MEMORANDUM

TO: District School Superintendents

FROM: Linda Champion

DATE: September 14, 2015

SUBJECT: July 2015-16 Student Transportation Survey Information

2015-16 Student Transportation General Instructions

The July 2015-16 student transportation survey was conducted the week of July 6-10, 2015. The Automated Student Information System (student transportation format) was used by all districts to transmit their July student transportation information.

The student transportation reporting requirements have been updated for 2015-16. Please refer to the attached 2015-16 Student Transportation General Instructions for assistance with student eligibility, reporting criteria, instructions for using the Automated Student Information System and reporting deadlines.

A list of the reporting deadlines is attached for your convenience. The deadline for submission of July survey data was Friday, July 24, 2015. Any corrections or revisions to this data must be submitted prior to the final amendment date of September 30, 2015. The attached form letter, which certifies the adjusted student membership and the number of buses reported on the database, must be signed by the superintendent or designee and submitted no later than Friday, October 2, 2015. The student transportation information provided in this letter must match that reported in the district database as of the final amendment date. Districts may use Transportation Report F63499 or F70092 to verify adjusted membership and bus information recorded in the database for use in the certification letter. The information in this letter will be compared with the department’s report to ensure that accurate information is used in the transportation funding formula.
