MEMORANDUM

DATE: October 30, 2013

TO: District School Superintendents

FROM: Linda Champion

SUBJECT: Factors to Estimate February 2014 Full-Time Equivalent Student Membership for the Third 2013-14 Florida Education Finance Program Calculation

Attached is a list of the factors that will be used to estimate each district’s February 2014 full-time equivalent (FTE) student membership for the third 2013-14 Florida Education Finance Program (FEFP) calculation. Ten factors were calculated for each district, one for each of the following programs:

101  Basic Education Grades PK-3
102  Basic Education Grades 4-8
103  Basic Education Grades 9-12
111  Basic Education Grades PK-3 with ESE Services
112  Basic Education Grades 4-8 with ESE Services
113  Basic Education Grades 9-12 with ESE Services
130  ESOL/Intensive English Grades K-12
The February 2014 factors were derived from the historical relationships between October and February FTE. For the third 2013-14 FEFP calculation, the February 2014 calculated factors will be multiplied by the reported October 2013 survey FTE prorated to 1.0 FTE per student for each program to estimate the February 2014 survey FTE.

The FTE that will be used in the third calculation of the 2013-14 FEFP is the sum of the calculated July and October 2013 FTE, the estimated February 2014 FTE that is derived from the February factors process, and the estimated June 2014 FTE.

Please review the recommended factors on the attached worksheet and complete and fax the worksheet to Karen Johnson at 850-245-9135 by Friday, November 8, 2013. If these factors are not appropriate for determining the February FTE, please propose revisions on the attached form. The review of these factors is critical because the estimated February FTE will be a major determinant in the amount of each district’s FEFP funding following the third 2013-14 FEFP calculation.
