MEMORANDUM

DATE: January 19, 2010
TO: District School Superintendents
FROM: Linda Champion
SUBJECT: February 2009-10 FTE Survey Information

This document is intended to assist school districts in the reporting of full-time equivalent (FTE) students as required by Section 1011.62(1)(a), Florida Statutes.

The 2009-10 Florida Education Finance Program (FEFP) February FTE survey will be conducted the week of February 8-12, 2010. The FTE from this survey will be used in the fourth calculation of the 2009-10 FEFP. Please see the attached schedule of cost factors and program numbers for the 2009-10 fiscal year and the schedule of reporting deadlines.

“Date certain” for all schools in all school districts is Friday of survey week. “Date certain” is the specific day for setting the student’s schedule on the local student course record. It is used for reporting the “FTE Earned, Course” data element.

LINDA CHAMPION
DEPUTY COMMISSIONER, FINANCE AND OPERATIONS

FTE to be Reported

The 2009-10 FEFP provides funding for the 180-day regular school year used by all schools except for Department of Juvenile Justice (DJJ) facilities and the Florida Virtual School (FLVS). With the exception of DJJ facilities, Juveniles Incompetent to Proceed (JITP) programs, and the FLVS, PK-12 courses offered beyond the regular school year are funded through the Supplemental Academic Instruction and Reading allocations. Although funding for such courses is not dependent on reported FTE, districts are still required to report summer non-funded FTE in the Automated Student Information System so that associated statistical reports can be generated.

Exceptional Education Student Record

The student course schedule records reporting FTE of students receiving exceptional education services (FEFP program numbers 111, 112, 113, 254, and 255) must have a matching exceptional education student record to generate funding under the FEFP.

Classroom Identification, Florida Inventory of School Houses (FISH) Number

In order to generate funding under the FEFP, each teacher course record for courses taught in a school district classroom must contain a valid classroom identification FISH number that matches a number on the FISH file.

General Information

Please refer to the FTE General Instructions 2009-10 for assistance with student eligibility, reporting criteria, instructions for the Automated Student Information System, and reporting deadlines. The system cut-off date for reporting February survey data is Friday, March 12, 2010. All database input must be complete as of this date. The attached form letter, which certifies the July, October, and February **fundable** FTE, must be signed by the superintendent or designee and submitted no later than Thursday, March 18, 2010. The FTE survey unweighted funded FTE totals provided in this letter must match the totals reported in the database as of the system cut-off date. **Districts may use FTE Report 05.107 to verify FTE recorded in the database for use in the certification letter.** The information in this letter will be compared with the Department's report to ensure that accurate information is used in the FEFP funding formula. **Please note that only fundable FTE should be reported in the FTE certification letter.**

The 2009-10 FEFP provides funding for more than 180 days only for students attending DJJ facilities, for students enrolled in JITP programs, and for successful completion of direct instruction courses from the FLVS. Therefore, the only fundable FTE presented in the FTE certification letter for the July survey should be for students attending DJJ facilities, which include Practical Academic Cultural Education (PACE) Centers for Girls and Marine Institutes; for students enrolled in JITP programs; and for students successfully completing direct instruction courses from the FLVS.

For funding purposes, districts may not report summer FTE for district virtual instruction programs or for franchises of the FLVS.

Section 1011.62(8), Florida Statutes, states in part, “If a district transfers a program to another institution not under the authority of the district’s school board, including a charter technical career center, the decline [in FTE] is to be multiplied by a factor of 0.15.” Please notify the Office of Funding and Financial Reporting if this situation occurs in your district.

Report 60.021, “Supplemental FTE Data File List,” is available upon request. This report provides Department of Children and Families, Department of Juvenile Justice, Advanced Placement, International Baccalaureate, Advanced International Certificate of Education, and Industry Certified Career and Professional Academies Programs FTE by school. School districts can use this report to verify the FTE in these programs.

For additional information, consult the [DOE Information Database Requirements: Volume 1 - Automated Student Information Systems](#).

Please call Martha Haynes (Office of Funding and Financial Reporting) at (850) 245-0405 or Ruth Jones (Education Information and Accountability Services) at (850) 245-0400 if assistance is needed.

If it is necessary to fax hard-copy documentation to meet any of the above deadlines, please use the following fax number: (850) 245-9135.
