DVR did not provide effective monitoring in accordance with the monitoring agreement. | We recommend DVR conduct monitoring in accordance with the risk assessment and monitoring plan. In addition, we recommend DVR promptly provide any monitoring results and recommendations for improvement to the CIL and ensure corrective action has been initiated on noted deficiencies. | **Response as of October 20, 2020:** Concur. VR has completed the 2020-21 Risk Assessment and monitoring plan. The CIL in Central Florida is scheduled to be monitored twice during the contract year. Any monitoring results and recommendations for improvement will be immediately shared with the CIL and ensure corrective action can be initiated in a timely manner to correct any noted deficiencies. | DVRs Program and Contract Manager have identified the area(s) that require monitoring. The last completed desk monitoring was on October 2021. (excluding the review of the CSRs which were pending review at the last monitoring interval) | Completed. October 21, 2021.

The CIL did not maintain sufficient documentation to demonstrate appropriate allocation of Contract #19-103 funds.

We recommend DVR include a review of expenditures incurred and the supporting documentation as part of their monitoring efforts to ensure expenditures are supported, allowable, allocable, reasonable, and necessary to the performance of the contract.

### Finding

Consumer service records did not include all required elements and documentation could be strengthened.

### Recommendation(s)

We recommend DVR include a review of CSRs in its monitoring activities and ensure consumers have been deemed eligible for services in accordance with the deferral regulations.

### Previous Management Responses

**Horace Brown**  
Program Admin  
(850)245-3360

**Response as of October 20, 2020:**  
Concur. VR will include a review of CSRs in its monitoring activities to ensure consumers have been deemed eligible for services in accordance with the federal regulations during the biannual monitoring of the CIL in Central Florida.

**Response as of April 20, 2021:**  
As part of the scheduled monitoring of the CIL, VR will include a review of selected 1st and 3rd quarter consumer service records, based on required monthly consumer service record reports, to see if consumers have been deemed eligible in accordance with federal regulations.

### Management Response as of October 20, 2022

**The DVR Program and Contract Manager review of the consumer service records are currently ongoing.**

The task was previously assigned to staff that is no longer with DVR. The position turnover presented a lag in the completion of the CSR reviews.
