

Florida Department of Education
Gold Standard Career Pathways Statewide Articulation Agreement
Industry Certification to AS Degree Program

Degree Name:	Aviation Maintenance Administration		
CIP Number:	1647060700		
Industry Certification:	FAA Aviation Mechanic Technician - Airframe and FAA Aviation Maintenance Technician - Powerplant	Code:	FEDAA004 and FEDAA010
College Credit:	This Gold Standard Career Pathways Statewide Articulation Agreement guarantees the minimum award of course credits or a block of credit toward the above AS program is <u>24</u> hours of credit. This agreement does not preclude the awarding of additional credits by any college through local articulation agreements.		
Validation Mechanism:			
To be eligible for articulation, the student must show evidence of their current FAA Aviation Mechanic Technician - Airframe and FAA Aviation Maintenance Technician - Powerplant certification and it must have been issued within three (3) years prior to their enrollment in the program.			
Rationale/Justification:			
The FAA Aviation Mechanic Technician - Airframe and FAA Aviation Maintenance Technician - Powerplant certification represents industry acknowledgement of technical skill attainment of competencies in the Aviation Maintenance Administration program.			
Applicability:			
State college administrators were consulted and agreed that the FAA Aviation Mechanic Technician - Airframe and FAA Aviation Maintenance Technician - Powerplant certification shall articulate <u>twenty four (24)</u> college credit hours to the AS degree in <u>Aviation Maintenance Administration</u> .			
Articulated credit awarded under this agreement may only be applied to the above AS degree.
