Celebrate Literacy Week, Florida!

January 24-28, 2022

District: Manatee

School: Palmetto High

All Week

Writing Contest: Students will rewrite a story they have read (novel, fairytale, etc) changing the setting to something futuristic. Students will also use art (any medium) to create a futuristic scene and include a descriptive paragraph explaining the setting--year, place, what is happening. These will be displayed in the media center.

We are putting up just outside of the cafeteria in our courtyard, a long (very long, think banner size) sheet of paper and having students write on it or on sticky notes where they would like to visit--in this world or out of this world.
