

## Florida's Graduation Rate 1998-99 to 2019-20

Note: The graduation rate used in this graph is based on the business rules required for the Uniform Federal Graduation Rate required by the USDOE for the 2010-11 school year and beyond. When comparing the 2019-20 graduation rate to prior years, it is important to note that pursuant to [Florida Department of Education Emergency Order No. 2020-EO-1](#), students in the 2019-20 graduating class were exempt from statewide, standardized assessment requirements stipulated in s. 1003.4282, F.S. Approximately 7.1% of the 2019-20 graduating class graduated with this exemption.
