*FAPE equals a free appropriate public education as defined in the Individuals with Disabilities Education Act (IDEA). Federal IDEA regulations require that districts must provide a free and appropriate education (FAPE) to all students who have not reached age 22 and who have not earned a regular high school diploma (34 CFR 300.101). This requirement applies even if the student has received a special diploma, a certificate of completion, or a special certificate of completion or a GED. Additionally, districts may choose to continue to offer FAPE through the school year in which students turn 22.
