MEMORANDUM

TO: District Career and Technical Education Directors

FROM: Loretta Costin 

SUBJECT: Registered 2011-12 High School Career and Professional Academies

The window for registering high school Career and Professional academies for the 2011-12 school year has closed. There were almost 1,500 academies registered including 331 new academies. Attached is a preliminary draft of the 2011-12 Appendix Y, which includes all high school academies registered by district and school. Please review the attachment to **verify** that all re-registrations of existing academies and registration of new academies have been included. If there is a missing academy or an academy has accidentally been registered, please contact Tara McLarnon at tara.mclarnon@fldoe.org or by phone at (850) 245-9005. An academy must be registered to be eligible for the additional FTE calculation of the 2012-13 Florida Education Finance Program (FEFP) (s. 1011.62(1)(o), Florida Statutes). It is expected that all registered academies will have enrollment reported for the 2011-12 school year.

To assist in your review, a report of all currently registered academies for the 2011-12 year has been attached. ***Please send all edits by noon on Wednesday, September 14, 2011.***

Thank you.
