## MEMORANDUM

**TO:** Career and Technical Education Directors  
Technical Center Directors  
Florida College Occupational Deans

**FROM:** Loretta Costin 

**SUBJECT:** Photoshop CS5 Virtual Workshop

---

The Perkins Professional Development Institute (PDI) will be offering a virtual Photoshop CS5 ACA certification workshop on June 1 and 2, 2011. This is the first virtual workshop the PDI has offered. It will include a virtual certification examination process. The vendor is also a testing center.

The deadline to submit applications is May 24, 2011. Teachers will be strictly held to the deadline. The reason is that the vendor needs time to mail out training material and register the students into the system.

This is an excellent opportunity to enhance the expertise of your faculty, especially rural counties and districts dealing with travel restrictions.

If you have any questions, please contact Diane Villagomez by electronic mail at [diane.villagomez@fldoe.org](mailto:diane.villagomez@fldoe.org) or by telephone at (850) 245-0915.

Thank you.
