MEMORANDUM

TO: District Career and Technical Education Directors
Technical Center Directors

FROM: Loretta Costin 

SUBJECT: STRIVE—Choose Your Success

We apologize for the late notice, but we just received information regarding this opportunity and thought you might want to share with others in your district.

Florida Virtual School on Feb. 23-24 will offer a free, interactive, virtual career fair for students. The effort, *STRIVE—Choose Your Success*, allows students to explore careers and learn about education options available after graduation as a part of Career and Technical Education (CTE) Month.

Students will be able to communicate with guidance counselors and other college and career experts, view presentations created by fellow students, and experience inspiring speakers. Participants can also meet members of the FLVS Future Business Leaders of America club, who are hosting STRIVE.

Thank you.
