Dear Colleagues,

The Florida Legislature asked the Office of Program Policy and Governmental Accountability (OPPAGA) to review options for charging tuition and fees to students enrolled in adult general education programs. In order to be responsive to this request, we need your help. The Division of Career and Adult Education has developed a survey to collect information on a block tuition proposal.

The survey can be access by clicking the link below.

**Please note that the survey cannot be saved and completed over different periods of time. To assist you in gathering your data before completing the survey, a PDF copy of the survey questions has been attached.**

Thank you in advance for your time and effort in completing this survey. Please complete the survey by 12:00 p.m. on Monday, **March 7, 2011**.
