Colleagues,

The Department has completed the calculation of district workforce education performances that will be used to allocate performance incentive funds for 2011-12. An Excel file is attached that contains the 2009-10 performance data that will be used in this allocation formula. Also, the business rules for this calculation are attached. This calculation is based on validated data submitted by your district for the 2009-10 reporting year.

Please review the performance information for completions and special populations to ensure that it accurately reflects the 2009-10 performance data for your district. If you believe that an error has occurred in the calculation, please contact Tara McLarnon by e-mail at tara.mclarnon@fldoe.org or by telephone at 850-245-9005 to report a problem.

If you have specific technical questions about the programming for this report, please contact Bruce Harrington at bruce.harrington@fldoe.org.

Your review must be completed by **February 25, 2011**.

If you have any general questions, please contact Tara Goodman by e-mail at tara.goodman@fldoe.org or by telephone at 850-245-9002.

Thank you.
